

Colección Linos

La nueva colección Linos de Panno nos conecta con la naturaleza y nuestro entorno.

Colores clásicos como blancos y tierras crean calidez en el interior, con un aspecto minimalista y de calidad, los Linos de nuestra colección combinan perfectamente con madera, metal y cemento.

Para cortina enrollable, plegable y panel japonés.

Panno's new collection Linos connects us with both the nature and our environment.

Classic whites and earth colours create an atmosphere of warmth and comfort on the interiors.

With a minimalist and high quality appearance, our Linos collection perfectly combines wood, metal and concrete. Available for roll-up, roman blinds and japanese panels
